

**Project One.NJ**  
ONE STATE. ONE MISSION. ONE UNIFIED NJ.

# One State. One Network. One Mission.

A FULLY SUPPORTED NLECPIN  
COLLABORATIVE POLICING INITIATIVE | 2026

"Project One.NJ" is a New Jersey specific initiative launched to unite every law enforcement agency and officer onto the OPS CONNECT™ network platform by the end of 2026, making New Jersey the very first state operating within a fully integrated, collaborative policing system.

## Key Benefits:

When agencies work together, communities are safer.  
With "Project One.NJ", agencies will gain access to:

- ✓ Faster coordination during emergencies, investigations, and operations
- ✓ Streamlined resource sharing across jurisdictions
- ✓ Shared intelligence and insights to help improve response time
- ✓ Unified community engagement tools (alerts, tips, public documents)
- ✓ Statewide data integration, transparency, and accountability
- ✓ Access to advanced operational tools and legal protections

### Providing assistance to agencies large and small.

Access to special statewide and regional implementation and onboarding incentives throughout 2026

### All current network assets are eligible under special programs:

OPS CONNECT™, IMS|hub™,  
OPS COMMUNITY™ and NPS-AID™
